Baghdad, 13 July 2009

Dear Sir or Madam,

On request of Stars Orbit Consultants and Management Development (SOC) I am pleased to attest to the good performance of Stars Orbit Consultants and Management Development with regards to its contracts to conduct several Monitoring and Evaluation projects and pre-assessment evaluation projects in Iraq funded by IOM (2004 – 2009).

SOC has successfully conducted the activities as stated in the contract funded by IOM. On execution, detailed activities achievement reports were received from SOC staff in timely fashion and any follow-up requests made by IOM team were attended to diligently, with specific information provided on a per need basis. The SOC team was also very responsive to suggestions and feedback from us, and briefed IOM staff on progress of the commissioned activities on a regular basis.

I can strongly recommend SOC for similar contracts.

If you have any further questions about SOC or its IOM funded M&E projects, please do not hesitate to contact me.

Sincerely yours,

Rafiq A. TSCHANNEN
