To Whom It May Concern

This letter is to attest the good performance by Stars Orbit Consultant and Management Development (SOC) with regards its service contract to conduct secretarial and monitoring & evaluation services for the ongoing Electoral Education Campaign funded by the Iraq Trust Fund and implemented by UNOPS in all governorates of Iraq (Nov 2008 – Aug 2009).

SOC has so far successfully ensured the organization, logistics and monitoring of the activities stated in its contract with UNOPS. On execution, reports have been received from SOC in timely fashion and any follow-up request made by UNOPS has been attended to diligently, with specific information provided on a need basis.

In the framework of the quickly changing electoral environment, the SOC team has been very responsive to instructions and feedback from UNOPS, and has regularly briefed UNOPS on progress of the commissioned activities.

For any further questions about performance of SOC in providing services to support activities implemented by UNOPS under this project, please do not hesitate to contact Gregory Kehailia, Project Manager, by e-mail GregoryK@unops.org or by phone +962 79 519 6149 .

Sincerely yours,

Jim Pansegrouw
Director UNOPS IQOC
